# Frank's Chess Academy LLC

Dear Chess Parents and Students,

**Beginning on 6/3/2024**, Frank's Chess Academy in Leonia is proud to offer the **Summer Chess Session**. There are many studies reporting on the advantages linked to learning chess. Organizational skills, pattern recognition, planning, patience, better concentration, and sportsmanship, are a few of the skills that will be developed, while having fun playing chess!

My name is Francis Romano, President of Frank's Chess Academy LLC, a USCF Certified Chess Coach, Tournament Director, and active tournament player with over 55 years experience, having reached expert status in the U.S.C. F. (96<sup>th</sup> percentile). Having been a chess player since 1969, I have personally reaped the benefits from Chess, and have seen many of my students doing the same. I would appreciate the opportunity to share my Chess knowledge, experience, and passion with you and your children.

The session will include **10 classes, one day a week**, offered on the following days and times (circle one):
